**Dear Colleagues,**

**The ICI Meeting will be held on December 6-8, 2026, in Tel Aviv.**

The Meeting will bring together world-renowned experts, pioneering innovators, and top industry leaders for an extraordinary celebration of breakthrough medical technologies.

As the premier international conference for Innovations in Cardiovascular Interventions (Heart, Brain, and Peripheral Vessels) and the High-Tech Life Science Industry, ICI has shaped the future of medical innovation for three decades.

**This year's program will feature:**

- Cutting-edge sessions exploring the latest breakthroughs in cardiovascular and digital health technologies.
- The ICI Academy of Innovation Day – a full-day workshop on medical innovation, guiding participants through the entire development process.
- Digital Health Day, hosted by leading global VCs, bringing together medical professionals, investors, and industry experts.
- A dynamic 2-day conference, pushing the boundaries in coronary and vascular interventions, transcatheter valvular therapies, stroke prevention, electrophysiology, and more.
- The renowned "Technology Parade", showcasing revolutionary biomedical start-ups from around the world.

We look forward to welcoming you,

Prof. Rafi Beyar & Prof. Chaim Lotan, ICI Meeting Directors
